# OUR BUSINESS MODEL

Bindopor established in 1985, has been designing and manufacturing customized **Artwork, Signage & Lighting** solutions and complementary products for the Hospitality & Tourism sector, also addressing the Healthcare market and the Art/Museum community.

We have “merged” **SIGNS, LIGHTING and ART**, offering a complete Signage, Lighting and Wall Art Decor service program.

Our Design & Development team (D&D) plays a central key role within our structure, allowing us to plan and develop customized Sign, Lighting and Artwork Solutions which are specifically designed and manufactured for each individual project.

Bindopor’s production structure is geared to manufacture unique bespoke tailor made solutions, which are the result of our D&D department collaborative work with Architects and Interior Designers, our main prescribers and specifiers.

We provide logistics and professional onsite installation around the world – wherever you want it, whenever you need it.

We help turning ideas and visual concepts into real products.
